Michigan State University, East Lansing, MI

Associate Chair for Undergraduate Studies in the Department of Writing, Rhetoric, and American Cultures (WRAC)

Director of Professional and Public Writing (P2W)

Director of Experience Architecture (XA) (August 2018 – Present)

- Appointed to Associate Chair position by WRAC Chair Dr. Jackie Rhodes in fall of 2018. I administrate two programs and schedule over 50 P2W and XA courses per academic year. I work with over 20 faculty and partners who teach and support both undergraduate programs. I run both the Professional and Public Writing Curriculum Committee and the Experience Architecture Committee. The combined number of students in each program is in excess of 260 students, which requires consistent collaboration with the P2W and XA academic advisors and WRAC and AAHD faculty and staff.

Assistant Associate Chair for Undergraduate Studies and Experience Architecture Program Coordinator (April 2016 – August 2018)

- Appointed by Dr. Stuart Blythe, the Associate Chair for Undergraduate Studies for the Department of Writing, Rhetoric, & American Cultures, to help coordinate the Experience Architecture major of over 100 students. I also organized and hosted events such as the XA Day of Professionalization, the Senior Portfolio Day, and worked with professionals within the industry to procure jobs, internships, and networking opportunities for XA students. I worked with various programs across MSU and at other universities to continuously ensure that XA was represented at diverse academic and professional spaces.

With my experience in digital technologies and pedagogy, I also presented and gave several workshops to Writing Program Faculty on how to use such technologies in the classroom.

University Writing Committee (August 2008 – May 2010)

- As the Assistant Director of the Writing Program, I worked with the Writing Committee to assess new textbooks and Readers for the Writing Program. Such assessment was necessary to find proper texts that matched our program and university core curriculum goals.
